**DECLARATION OF DANIEL LEDERMAN IN SUPPORT OF
KEYHOLE CORPORATION'S MOTION TO TRANSFER VENUE**

1. I am currently Director of Business Development at Keyhole. I make this affidavit in support of Keyhole's motion to transfer venue. I have personal knowledge of the following facts and could competently testify as to their truth.
2. I have been Director of Business Development at Keyhole for three (3) years.
3. In my capacity as Director of Business Development, I am responsible for international sales, contracts, and licensing. I am knowledgeable about the royalty rates paid in the industry for patents comparable to the patent-in-suit, the portion of the profit or selling price that would customarily relate to the use of an invention such as that claimed in the patent-in-suit.
4. In addition, I would also suffer personal hardship if I were required to travel to Massachusetts for court proceedings. I reside in Northern California. As a father of three young children, any time away from my family would result in personal hardship.

I declare under penalty of perjury, in accordance with 28 U.S.C. § 1746, that the foregoing is true and correct. Executed, this 1st day of November 2004, at Mountain View, California.
